VOL. CLII NO. 89 Thursday, May 7, 1987 152nd Year

TODAY

AS THE HOUSE PREPARES its own plans for bank legislation, lobbyists are still concerned about the bill passed by the Senate at the end of March. Heading the worry list is the nonbank-bank loophole........ 2

A LISTING of limited-service banks appears on........ 48

L. WILLIAM SEIDMAN, chairman of the Federal Deposit Insurance Corp., said that the agency's fund that backs commercial bank deposits is at a historic low........ 2

E. GERALD CORRIGAN, president of the Federal Reserve Bank of New York, outlined four steps that Japan should take to open its financial services market to U.S. companies........ 2

EIGHT STATES have joined in filing a "friend of the court" brief in the U.S. Supreme Court. They oppose a ruling that they feel would invalidate each state's laws regarding branch banking........ 2

A TREASURY OFFICIAL has agreed to consider implementing a plan to counter illegal money laundering by increasing bank reporting requirements........ 3

OPTIONS FOR SOLVING the Latin debt problem were offered by James J. McDermott Jr. of Keefe, Bruyette & Woods in testimony before a House Banking subcommittee........ 4

A SUBSIDIARY of Vermont Federal Savings and Loan sold preferred stock in a transaction that is designed to improve earnings without affecting the S&L's status as a mutual association........ 8

JAPANESE INVESTMENT in the United States is booming, but U.S. banks are not profiting as much as they would like........ 10

WITH AN ANNUAL RATE of 9.5%, Central Fidelity Bank, Richmond, Va., has the best credit card interest rate bargain in the nation, according to BankCard Holders of America........ 49

SEN. JAKE GARN, in an interview, spoke of his battles on Capital Hill to restructure the financial services industry........ 50

NEW APPOINTMENTS to the top executive's spot are listed on........ 56

KEEPING CURRENT

Executive Changes........ 49

Flashbacks........ 4

Quote

As I look back at some of those speeches and a lot of the comments in the committee and on the floor, I was wrong: I was way too conservative.

Sen. Jake Garn, former chairman of the Senate Banking Committee, on his push for comprehensive banking legislation [Page 50]

New England Banks Big Deposit Gainers

Farm, Energy States Were Losers in 1986

By THERESIA TREPEL

American Banker
TOP 5,000 BANKS

States with Largest Deposit Changes

Dec. 31, 1985 to Dec. 31, 1986

Top 5 Gainers	% Incr.	Top 5 Losers	% Decr.
1. New Hampshire	42.0	1. Oklahoma	12.4
2. Rhode Island	35.8	2. North Dakota	5.6
3. Vermont	29.4	3. Texas	4.3
4. Massachusetts	26.0	4. Wyoming	4.2
5. Connecticut	25.7	5. Idaho	1.8

NEW YORK — Banks in New England scored the largest gains in deposits last year, while the banks in the energy-producing and Farm Belt states suffered the largest losses.

These are some of the findings of the *American Banker's* annual listing of the top 5,000 U.S. commercial banks, published today. The banks are ranked by total deposits on Dec. 31, 1986. They are listed by state and by city, both in alphabetical order. Within each city, the banks are listed in order of deposit size.

New England's robust economy was the main reason for the strong deposit growth for banks in that region. Over the past three years, the average annual unemployment rate in New England was only 5%, compared with 7.8% for the nation.

The decline in deposits at the banks in the energy-producing states and in the Farm Belt reflects the troubled economies of those regions. Over the past three years, falling oil prices have resulted in a sharp rise in problem loans in the energy-related and real estate loan portfolios of banks in the energy-producing states. In the farm states, slumping prices for agricultural commodities over the past five years have created serious problems for many of the banks.

The top five states in bank deposit growth last year were all in New En-

House's $5 Billion FSLIC Rescue Package Sets Stage for Negotiations with Senate

By ROBERT M. GARSSON
Washington Bureau

WASHINGTON — In approving a $5 billion rescue package for the Federal Savings and Loan Insurance Corp. Tuesday night, the House set the stage for negotiations with the Senate over legislation that would also ban limited-service banks and impose a moratorium on new bank powers.

A Treasury Department lobbyist repeated earlier warnings that the $5 billion plan is inadequate and would probably be vetoed by President Reagan. The likelihood of a veto would increase, the Treasury lobbyist said, if House-Senate conferees retain the bill's forbearance language and add Senate-passed measures on nonbank banks and new bank powers.

In a five-hour session that stretched into the night, the House voted 258-153 to reject a Treasury Department proposal to permit FSLIC to raise up to $15 billion over five years, approving instead a $5 billion, two-year plan.

The House action, which stunned almost all observers, deprives Senate Banking Committee Chairman William Proxmire of at least one bargaining chip in his battle to win approval of a ban on nonbank banks.

The Senate has approved a $7.5 billion FSLIC rescue package. Mr. Proxmire could have traded the higher

Market for Bonds Backed by Assets Expected to Grow

By ANDREW ALBERT

NEW YORK — Off to a slow start in 1987, new-issue activity in the asset-backed securities market is expected to pick up gradually as the year progresses. Several investment banks are planning to bring new deals to market within the next few months.

In anticipation of busier times, Goldman, Sachs & Co., Shearson Lehman Brothers Inc., and Merrill Lynch & Co., have spent the early part of this year beefing up their asset-backed units.

By securitizing assets, lending institutions raise cash by selling securities

New England Banks Are Big Deposit Gainers in 1986

➸ Continued from Page 1

gland. New Hampshire posted the largest percentage gain in deposits — 42% — last year. The state had 39 banks ranked among the top 5,000 in deposits in 1986, compared with 36 in 1985.

Following New Hampshire were Rhode Island, with a 35.8% increase for its nine banks; Vermont, with 29.4% for its 19 banks; Massachusetts, with 26% for its 82 banks; and Connecticut, with 25.7% for its 42 banks.

Banks in seven states posted deposit declines from 1985 to 1986. All seven are in energy-producing or farm states.

The largest deposit declines occurred in Oklahoma, which had 123 banks ranked among the top 5,000 in 1986, compared with 141 banks in 1985. The deposits of Oklahoma banks in the top 5,000 in 1986 were down 12.4% compared with 1985.

The other six states with deposit declines were: North Dakota, with a 5.6% drop for its 30 banks; Texas, with a 4.3% decrease for its 697 banks; Wyoming, with a 4.2% decrease for its 25 banks; Idaho, with a 1.8% decline for its nine banks; Colorado, with a 1.4% decrease for its 90 banks; and Louisiana, with a 1.1% decline for its 131 banks.

Total deposits of the top 5,000 banks in the nation rose 8.4% to $2.07 trillion in 1986. This compares with a 8.1% increase in 1985.

The top 5,000 banks, which accounted for 33% of the 14,994 banks in the nation on Dec. 31, had 90% of total deposits. A year earlier, this ratio was 90.4%, and in 1984 it was 90.9%.

New York again ranked first in amount of commercial bank deposits. Last year, New York had 127 banks ranked among the top 5,000, with a total of $466.9 billion in deposits. In 1985, New York had 124 banks on this list, and these had $432.4 billion in deposits.

California's 226 banks again ranked second, with combined total deposits of $232.8 billion at yearend 1986, compared with $232.4 billion a year earlier. Texas remained in third place, with $133.7 billion in deposits at its 697 banks. Illinois banks were fourth, with $117.4 billion in 453 banks.

These top four states accounted for 46% of the deposits of the top 5,000 banks, compared with 47.9% in 1985 and 48.8% in 1984.

Five states had more than 200 banks among the ranks of the top 5,000 last year. And these five accounted for 35% of all the banks ranked among the top 5,000. Texas again had the largest number of banks, with 697, a decrease of three from the previous year. Illinois was again second, with 453 banks, an increase of 11.

California remained in third place, with 226 banks, an increase of 15 banks from a year earlier. Michigan was in fourth place for the second consecutive year, with 207 banks. And Pennsylvania remained in fifth place, with 200 banks.

Greenwood Trust Co., New Castle, Del. — the Sears, Roebuck and Co. subsidiary that handles Sears' Discover credit card operations — had the largest nonmerger growth in deposits last year. The bank, whose deposits rose by more than 3,700% to $1.048 billion at yearend 1986, ranked 275th.

The bank with the largest percentage decrease in deposits among the top 5,000 was Citibank (Maryland) NA, Towson, one of Citicorp's credit card banks. The bank had a 66.7% decline in deposits, to $53.7 million at yearend 1986, to rank 4,708th. However, the bank's assets rose 3.7% last year to $984.4 million. The deposit decline, therefore, apparently reflected a change in funding strategy at the bank.

Bank No. 5,000

The 5,000th largest bank in the nation last year was Bank of Lemmon, S.D., with $50.6 million in deposits, which had an increase of 21.3% from $41.7 million a year earlier, when it ranked 5,731st.

In 1985, First National Bank, Wayzoata, Minn., with $48.2 million in deposits, was the nation's 5,000th largest bank. First National Bank ranked 4,953rd on Dec. 31, 1986, with $51.1 million in deposits.

In 1984, Ames Bank, Omaha, Neb., was the 5,000th largest bank, with deposits of $45.7 million. At yearend 1985, with deposits of $45.8 million, the bank no longer ranked among the 5,000 largest commercial banks. At yearend 1986, it had deposits of $49.8 million.

First National Bank, Valley City, N.D., was the nation's 5,000th largest bank in 1983, with $43.3 million in deposits. At yearend 1985, with deposits of $45.6 million, the bank no longer was among the 5,000 largest commercial banks. At yearend 1986, its deposits dropped 4.9% to $43.5 million.

In 1982, the 5,000th largest bank in the nation was Bank of San Felipe Green NA, Houston, with deposits of $39.4 million. At yearend 1985, this bank, which is now called MBank San Felipe NA, ranked 2,526th, with $91.3 million in deposits. In 1986, the bank again rose in rank to 2,268th, with $107.1 million in deposits. ■

Dear Reader, How Are We Doing?

The *American Banker* wants to make sure our survey of the top 5,000 banks meets your information needs. So would you spend a moment to give us some feedback? Please clip out this questionnaire and return to: William Zimmerman, Editor, American Banker, One State Street Plaza, New York, N.Y. 10004 (212) 943-5712.

(1.) How would you **change** the survey to make it more useful? What would you add?

(2.) What do you like **best** about the survey?

(3.) What do you like **least** about the survey?

(4.) How do you use the survey in your work?

Owner Convicted Of Stealing from Maryland Thrift

Special to the American Banker

BALTIMORE — Allan H. Pearlstein, a part-owner of Old Court Savings and Loan Inc., was convicted on four of six counts of stealing from the Maryland thrift, whose collapse precipitated the downfall of the state's privately insured savings and loan industry in May 1985.

A jury of nine women and three men, after six hours of deliberation, found Mr. Pearlstein guilty of stealing $645,000 from the thrift. He is the sixth person to be convicted of crimes arising out of Old Court's collapse.

The verdict was returned at 9:30 p.m. Monday. As he was leaving the courthouse, Mr. Pearlstein said, "My life is over."

The Baltimore circuit court jury decided that contrary to the charges, Mr. Pearlstein did not steal from the thrift the $65,000 that he received as fees.

Mr. Pearlstein, 57, owned a 41% interest in the Baltimore thrift. He also owns a Pennsylvania shoe-manufacturing concern known as Sylvania Shoes, which is headquartered in McSherrystown.

Throughout the trial, Mr. Pearlstein maintained that he earned all the money that he was accused of stealing. Although he was not an employee or an officer, Mr. Pearlstein said he contributed significant amounts of time to the savings and loan. In addition, he said the thrift was ostensibly quite profitable and he thought that a number of the payments were distributions of profits to its shareholders.

Mr. Pearlstein's lawyers attempted to cast Old Court's former president, Jeffrey A. Levitt, as the villain. They maintained that Mr. Pearlstein was a naive friend of Mr. Levitt's who believed the former Old Court president was a financial genius who had reversed the fortunes of the failing thrift.

In his closing statement, a defense attorney argued that Mr. Levitt's deceptions were so convincing that even the state regulators were unable to uncover the financial irregularities at Old Court until right before its collapse.

State prosecutors depicted Mr. Pearlstein as a smart entrepreneur who knew full well that he did not earn or deserve the hundreds of thousands of dollars in fees he collected between 1983 and 1984.

Mr. Pearlstein is the third owner of the savings and loan to be convicted. Mr. Levitt, who like Mr. Pearlstein owned a 41% interest, is currently serving a 30-year prison sentence after pleading guilty to stealing $14.6 million from Old Court. Jerome S. Cardin, an 18% owner, was convicted last December of stealing $385,000 and sentenced to a 15 years in prison. He is
